

May Newsletter 2010 !

Lots Of News! Get Out Your Calendars!

Healthy Planet, Healthy Us is our new theme for the month. We will be learning many lessons on how to take care of our planet and how we take care of ourselves! We will also be welcoming our butterflies, so watch for them!

A quick note that Miss Kristin will be out for seven days due to a pre-planned vacation! Miss Marissa will be visiting us again, and filling in for her!

We will not be sending home scholastic book order forms, because we will be bringing the books here for a fair from May 24th-May 28th! The books will be very reasonably priced, and we had a lot of success with this event last year! It is fun to see the students pick out books for themselves and we are

happy to give this time to them. Any points we earn will be used to acquire new equipment and/or books for the school.

Attached you will find many important sheets for your information. Please read them carefully and send back those that need to be returned! We appreciate your help with all of this!

*Field Trip for all Friday students!

*Evaluation

*End of Year/Show Information Sheet

*Special Graduate Request

We are really asking for all of your help with registrations for our summer and fall programs! After accomplishing all of the requirements for our accreditation, we feel very strongly that we exemplify excellence in our market! Please help us spread the word as all centers are currently struggling with enrollment for next year! Our summer program supports the summer rent and utility bills that need to be paid! We strive to pay our teachers the highest possible salaries, and we are trying to keep tuition costs as low as possible! So please help us spread the word! Skip the teacher gifts this year and send your student to camp! They will have so much fun and we would love to spend more time with them!

Special points of interest:

News, Gossip and Happenings

-May 26th will be picture day for our graduates in their caps and gowns, all graduates should attend school that day!

-Just a reminder that deposits for next year are due with the June payment! If you still owe activity fees

they will also be due! June tuition is a full payment. We break up our annual tuition into 10 installments!

-Miss Darcie has offered to have her last "free art" class take place on the last day of school to celebrate a "Rock and Roll" year! Summer

Birthdays will be celebrated on June 10th and 11th. Anyone wanting to add to the celebrations, please see a teacher!

-June 1st-3rd- We are offering families the opportunity to come in and be a mystery reader to the classes. Please see a teacher if you are interested!
